Dear Parents/Carers,

Admissions Consultation 2026

On 11th December we wrote to parents stating that the school was to begin a consultation period to reduce the pupil published admission number (PAN) to 45.

In the meantime, despite a substantial decrease in the number of primary school aged children requiring a school place nationally and in the local area, Corpus Christi Primary School is oversubscribed for the academic year 2025-26.

As a result of the positive admission numbers and the school continuing to be oversubscribed, the governing body unanimously agreed to continue with a PAN of 60 for the academic year 2026-27 and beyond.

This is welcoming news for the school and we appreciate the continued support we receive from parents and the wider community.

Yours sincerely,

Simon Lennon
