

Science Overview

	Aut 1	Aut 2	Spr 1	Spr2	Sum 1	Sum 2
EYFS	Healthy eating.	Weather and seasons.	Once Upon a time around the world.	We are super Scientists.	Animals Come to Visit	Our lives now and in the futures
1	Pets and Gardens	Everyday materials	My body	Seasonal changes	Animals	Plants
2	Living Things - Habitats (Indian)	Everyday Materials. Planting - starting investigations and fair testing	Animals, Including Humans: Growth and Survival	Plants - Growth	Plants - Germination	Local Habitats
3	Rocks - Fossils Mary Anning	Rocks - Soils Dr. Rattan Lal - Helping small farmers improve soil health	Forces and Magnets Issac Newton	Humans/Animals	Light	Plants
4	Living things and their habitats	Animals Including Humans (digestive system)	Food chains	Sound	States of matter	Electricity
5	Forces- resistance/friction	Properties/change s of materials	Properties/change s of materials	Earth/Space	Living Things- plants and habitats	Life cycles
6	Circulatory system	Habitats Animal migration	Electricity Lewis Latimer	Light	Classification- rainforest plants	Evolution and inheritance Charles Darwin
