

CORPUS CHRISTI FOOTBALL CLUB

2025/26

WELCOME TO

CC **FOOTBALL CLUB**

Thank you for taking the time to read our CC **2025/26** welcome guide. I truly believe this will be our best year yet - a programme built with purpose, experience, and **care.**

I started J.Ellis Football because I saw how often grassroots football fell short of what it should be - lacking inclusivity, **quality** coaching, and real pathways for young players.

“ ”

Drawing upon over 15 years experience in the game, I am certain that your child will have a great time here, and you have my word that when you put your trust in me and what we offer - every single young person that comes here will be **supported** in every way possible.

CC isn't just another football session. It's a structured, inclusive, and ambitious environment where young people are supported to grow, learn, and **love** the game.

This year, we've taken everything that's worked since 2022 and made thoughtful changes to improve the experience even further. Whether you're new to us or returning, I'm grateful you're here.

Our promise remains simple:

SUPPORT THE GRASSROOTS GAME.
