Dear Parents and Carers,

Active School UK will be launching After School Gymnastics Clubs at Corpus Christi Primary School, subject to reaching the minimum number of 10 children per club.

To allow us to confirm delivery, we are inviting families to register their interest for either the KS2 Thursday club or the KS1 Friday club using the link below. Once the minimum number is reached for a club, families will be contacted to confirm the place and complete payment.

What the club offers

Our after school gymnastics sessions are designed to help children:

- Build confidence, strength, and coordination
- Develop balance, flexibility, and core movement skills
- Work towards the UK Academies of Gymnastics (UKAG) Award Scheme
- Enjoy fun, structured physical activity in a safe and supportive environment

The club is suitable for all abilities, from complete beginners to children with previous experience.

How we run our sessions

All sessions are delivered by fully qualified, DBS checked and first aid trained coaches who specialise in school-based gymnastics.

Each session includes:

1. Warm up and mobility
2. Skill development on floor and apparatus
3. Fun challenges and small group activities
4. Progress towards individual certificates and awards
5. A calm cool down to finish

Children will be collected by the coach or brought to the hall by their teacher at the end of the school day and must be collected promptly at the stated finish time from the agreed school collection point.

How to register your interest

To register your child's interest, please visit:
