Dear Parents and Carers,

Storytelling Workshop - Whole School Visit

World Book Day will take place on **Thursday 5th March** this year. To celebrate this and inspire an overall love of reading within our pupils, we will be welcoming some visitors from a company called 'As Creatives' who run engaging and practical Literacy workshops for children. Our school will have workshops with a theme of storytelling. This will take place on: **Thursday 26th February 2026.**

We invite the children to wear **MUFTI** on this day and ask them to bring a **donation of £2** to contribute towards the cost of this event. This will support the workshop being able to take place in school to be enjoyed by all pupils.

Each class will receive a fun, creative workshop where they will be inspired and challenged to create their own story. Every year group will build on what the previous year group has come up with, and engage in skills of storytelling to enhance their own learning in future Literacy lessons. There will also be a school assembly to talk about all the amazing ideas each year group has produced, and some resources given to the school so each class can continue with their own stories after the visit has finished.

The workshops will run from Nursery through to Year 6, so this is a fantastic opportunity to ensure every child in the school can be inspired and entertained. It will be a brilliant way to celebrate upcoming World Book Day the following week, and something different for all of us to enjoy.

World Book Day fancy dress will go ahead as normal on Thursday 5th March, in-line with everyone else celebrating this day. More information about this will be sent nearer the time.

Many thanks for your continued support.
