

Corpus Christi Catholic Primary School

Headteacher: Simon Lennon – BEng, PGCE, MA

Joyfully, unique in Jesus' family, we learn to use our special gifts to love, serve and make the world a better place.

Friday 28th November 2026

Dear Parents and Carers,

Year 4 Visit - Winchester Science Centre

We have made arrangements for Year 4 to visit the **Winchester Science Centre** on **Friday 8th May 2026**. This is a great opportunity for your child to enjoy a school trip which will support the children's curriculum learning in our **Human Body and Sound** science topics. The children will be able to experience many different science experiments activities throughout the day with a focus on the human body and sound, as well as an opportunity to visit the planetarium.

The cost is **£22.33** per child which should be made through **Magicbooking**. Should you have any difficulty in making this payment, please arrange an appointment with Mr Lennon.

The coach will leave school at 9:00am and is due to return to school by 2:50pm.

Our day will be spent indoors. The children will need to **wear their full school uniform**, and bring the following items:

- **Waterproof coat**
- **Packed lunch with additional drinks/snacks (a packed lunch will be provided for children who have booked a hot meal)**
- **Plastic carrier bag**
- **School backpack**

To allow your child to take part in the trip, **please complete the online form by Friday 1st May 2026**. If you are able to kindly help on this trip, then please indicate on the Google form by **Friday 24th April 2026**. and we will contact you by **Tuesday 28th April 2026** to confirm.
