The purpose of this FREE drop in event is for services, organisations, and professionals from across BCP to showcase the support available to children and young people with SEND and their families.

There will also be workshops on the day:

Comments from parents who attended last year:

*"It was so good to have all services in one place. It was great to talk to them personally".*

*"We spent 3 hours there and it was so helpful".*

*"It was very informative, good to talk to people especially in the context of managing EHCP and school applications".*

Hope to see you there but if you are unable to come, you can find a wealth of useful information on the [BCP Family Information Directory](#).
