Dear Parents and Carers,

School Nurse Visit - Appointment Session – Supporting Your Child's Health and Development

We are pleased to let you know that our school nurse, Lucy, will be holding an appointment only session at school, offering support and advice on a range of health and wellbeing topics.

This session is open to all parents and carers and are a great opportunity to speak confidentially with a qualified health professional about any concerns you may have, including:

- Toileting (including toilet training support)
- Bed wetting
- Nutrition and healthy eating
- Growth and development concerns
- Signposting to other professional services, where appropriate

Whether you have a quick question or a more ongoing concern, Lucy is here to help in a friendly and supportive environment.

Appointments will take place on:

 **Tuesday 23rd June**

 **8.45am - 10.15am**

 **Main school building**

To make your appointment please contact the school office. If you are unable to attend but would like to speak to the nurse, please contact the school office to arrange an alternative time.

We hope these sessions will be helpful to families and strengthen the support we offer for children's health and wellbeing at school.

Kind regards,

Pastoral Support Team
