Dear Year 6 Parents and Carers,

Notice: End of Key Stage 2 Primary School Assessments 2026

I am writing to let you know about a delay to this year's Key Stage 2 (KS2) test results, which affects all schools nationally.

Schools were due to receive results on 7 July 2026. However, Pearson Education Limited, the provider responsible for administering, marking, and returning Key Stage 2 results to schools has informed the Department for Education of a delay affecting the national system used to make results available to schools. We have been informed that KS2 test results will now be available on 16 July 2026. **Due to this delay, you will receive both your child's end of year school report and their SATs results on Friday 17th July.**

We understand that this is frustrating, but this will not interfere with celebrating everything your child has achieved at the end of their primary school journey. Importantly, the delay is not related to the quality of the tests or the accuracy of pupils' results. Test papers have been marked in line with usual processes. This will not impact your child's transition to secondary school and no action is required from parents or pupils.

Thank you for your patience and understanding. If you have any questions, please contact the school office.

Yours sincerely,

Simon Lennon
Headteacher
