Dear Parents and Carers,

Social Media Post

This afternoon, the school has been made aware of a social media post concerning a child at the school and a member of staff.

Please be assured that we take any such allegation extremely seriously. The school has comprehensive CCTV coverage across the site, and we are currently carrying out a thorough internal investigation into the matter.

We would encourage the individual who made the post to contact the school directly, so that we can gain a full understanding of the concerns raised and ensure they are properly investigated.

The welfare, safety, and wellbeing of every child are our highest priorities. We are proud of the quality of care and support provided by our staff, and if we found that our expected standards had not been met, we would take appropriate and swift action.

We respectfully ask members of our school community to avoid commenting on or sharing speculation about this matter on social media while the investigation is ongoing.

Thank you for your continued support and understanding while this matter is being investigated.

Yours sincerely,

Simon Lennon
Headteacher
