

Corpus Christi Catholic Primary School

Headteacher: Simon Lennon – BEng, PGCE, MA

Joyfully, unique in Jesus' family, we learn to use our special gifts to love, serve and make the world a better place.

Dear Parents and Carers,

We are delighted to share that Corpus Christi Primary School is now an officially recognised Thrive School.

The Thrive Approach is a whole-school, evidence-based approach that supports children's social and emotional development. It helps us to create a nurturing environment where children feel safe, valued and ready to learn. As part of this approach, staff use Thrive principles throughout the school day to promote positive wellbeing and resilience.

As part of our whole-school Thrive provision, staff will use Thrive-Online to carry out class and group observations to help us plan and adapt our social and emotional curriculum. These observations take place as part of everyday school life and do not involve children completing tests or answering questions.

Some children may also benefit from additional one-to-one or small-group Thrive sessions with a member of our Pastoral Team. Where we feel an individual Thrive assessment and profile would be beneficial, we will always contact you to seek your consent before this takes place. Any information collected will be stored securely and used only to help us provide the best possible support for your child.

We are excited to introduce this initiative and look forward to continuing to work in partnership with you to support the wellbeing of every child at Corpus Christi Primary School.

If you have any questions about Thrive, please don't hesitate to contact me, Miss Clarke or Mrs Noakes.

Yours faithfully,

Amy Stewart
