

Corpus Christi Catholic Primary School

Headteacher: Simon Lennon – BEng, PGCE, MA

Joyfully, unique in Jesus' family, we learn to use our special gifts to love, serve and make the world a better place.

Wednesday 2nd September 2026

Dear Parents and Carers,

Year 5: Textiles Design and Technology

This term, children in Year 5 will be learning how to design and make a small cushion from felt. They will recap upon previous textiles lessons remembering how to thread a needle and begin and end a running stitch. They will also develop sewing skills learning how to attach an applique shape, add decorative embroidery stitches and join two pieces of fabric together using a blanket stitch.

These lessons can be very hands-on and require more adult support. If you are able to help during these textiles technology lessons, please contact me via my school email address where I can provide you with dates and times of these lessons.

Kind regards,

Mrs Jenny Cherrett
Art and Design Technology Specialist Teacher
